## **PRINCIPAL'S MESSAGE**

Dear Applicant,

Welcome to the Post Graduate Government College, Sector 11, Chandigarh. Established in 1953. The College has the distinction of being the oldest college in the Tricity. PGGC 11 is a premier co-educational institution of higher learning. It attracts some of the brightest and most meritorious students from the Northern as well as the North-Eastern region of the country. Aiming at excellence in academics, sports and extracurricular activities it has produced Members of Parliament, Members of Legislative Assembly, Political Figures, Army Generals, Civil Servants, Academics, Actors, Scientists and Sports persons of eminence.

Prominently located at the intersection of Madhya Marg and Vidya Path it is easily accessible by public transport, on foot and on bicycles. It is flanked by illustrious neighbours as Panjab University, PGIMER and PGGCG 11 and is an important player in the academic map of the Northern region of the country. The academic culture at PGGC11 is one of enabling the young minds to learn both inside and outside of the classroom. It has a great number of societies and clubs aimed at developing different aspects of a student's personality. The college faculty is research oriented and seasoned in the art of teaching. It is no wonder then that every year we produce many university position holders.

The infrastructure of the college is at par with the best undergraduate colleges in the region. It has an enviable ratio of indoor and outdoor green spaces. It has very good academic facilities such as smart classrooms, seminar halls, auditorium, a well equipped library and laboratories with latest equipments; excellent sports facilities, such as a 25 meter swimming pool, a 400 meter cinder track, and a physiotherapy centre. The college campus is Wi-Fi enabled in keeping with the digital revolution of this century.

This year onwards the college is rolling out the New Education Policy (2020) of four year undergraduate degree programmes. Details of the courses offered and the process to apply for them are explained step by step in the prospectus. The prospectus will also give you a sense of the college, its departments, hostels and college life.

I hope that all those who join the college will find here an open and a cordial atmosphere of learning.

Welcome to the PGGC 11 family!

## HISTORICAL JOURNEY OF THE COLLEGE

Govt. College University Lahore, Pakistan

Govt. College University Lahore, Pakistan

The wonderful history of the college can be traced all the way back to 1864, when the Government College of Lahore was set up in pre-independent India. Affiliated to Calcutta University it was a pre eminent centre of learning.

After independence in 1947, the college was re-established in East Punjab at Ludhiana and later at Chandigarh in the foothills of Shivalik on 26th May, 1953.

Hotel Mountview in Sector 10, Chandigarh served as the initial location of the newly established college. Later it was shifted to the building of Higher Secondary School in Sector 23. Finally, it was shifted to its own building in Sector-II designed by the renowned architect P. Jeanneret on 13th October, 1960.

This is the only college in City Beautiful where all the three NCC wings are available: Army Wing, Air Wing and Naval Wing. In sync with the college motto “Higher and Still Higher”, the motto of NCC, “UNITY AND DISCIPLINE” inculcates inspiration in the generations of young men and women to don the military attire to serve the nation. The main motive of NCC is to develop good qualities like character, discipline, patriotism, secularism, selfless service, courage comradeship, hard work attitude, sportsman spirit etc. among the youth of the country to mould them into useful citizens. It also aims to create a pool of humanitarian force to absorb into Indian Armed Forces like Army, Air, Naval Force and other Paramilitary Forces.

Over the years all the three wings of the NCC have won innumerable trophies at both State and National level including the Best Cadet Trophy at the prestigious Republic Day Parade. Many of these winners many have gone on to attend Youth Exchange Programme (YEP) to distant shores. NCC cadets are given numerous opportunity to participate in host of adventure activities like Mountain Treks and Expeditions, Trekking, Parasailing, Sailing, Scuba Diving, Kayaking, etc. Such activities enable cadets to hone leadership skills and enhance their character qualities. Cadets with potential are given opportunities to participate in expeditions requiring higher degree of expertise and proficiency. Naval wing’s Nau Sainik Camp is the most prestigious Camp which is conducted annually. Boat pulling, Regatta and Sailing competitions are the main activities of this camp. Similarly, Army Wing’s Thal Sainik Camp and in Air Wing’ Vayu Sainik Camp are organised every Year. The college encourages every year new entrants to join the three wings of NCC and carry the glorious tradition ahead.

## NCC Achievements-

- Cadet Under Officer Parth Chauhan of NCC Army Wing has been selected as a delegate to Nepal for Youth Exchange Program.
- Lance Corporal Kapil Dev Rana attended the prestigious Republic Day Camp held in New Delhi 2024. He became the commander of the directorate during the PM rally; indeed, it is a proud moment for the college. He also actively participated in drill, cultural and academic competitions.
- The NCC Army Wing Cadets Gaurav Dangwal, Anshul Rana, and Jigmat Dorjay participated in All India Thal Sainik Camp held at DG NCC (New Delhi) in September 2023. They took part in various competitions like shooting, obstacle training, map reading, and other professional training activities.
- True to its epithet "Touch the Sky with Glory," the dynamic cadets of NCC Air Wing PGGC-11 have brought numerous laurels to 1 Chandigarh Air Squadron under the exemplary mentorship of Dr. Rakesh Thakur. Sergeant Isha Rana of NCC Air Wing distinguished herself at the Republic Day Camp (RDC) 2024 in New Delhi as she provided an impressive briefing on Aero Modelling to the Defence Minister and Defence Secretary. Her recognition as Best Cadet at RDC 2024 is a monumental achievement for PGGC-11 given the prestige of the RDC parade as the most esteemed in the nation. Furthermore, cadets Nitish Kumar, Vansh Tyagi, Isha Rana, Aditi Kumari, and Khushboo Sandhu from the NCC Air Wing showcased their talents at the Air Wing Vayu Sainik Camp (AIVSC) 2023, organized by the NCC Directorate Karnataka and Goa at the Air Force Station in Jalahalli, Bengaluru. They actively participated in various competitions, including skeet firing, drill, guard of honor, and line area thereby demonstrating exceptional skill and dedication.
- One of the most prestigious camp of naval wing all India Nau Sainik Camp (AINSC) 2023 was conducted at Lonavala (Mumbai) i.e. western Naval Command of Indian Nav. AINSC is a national camp held in between 17 NCC directorate. In this camp, Cadet Nitin Kumar participated in boat pulling event and won silver medal for our directorate and also got the opportunity to meet DGNCC.
- Republic Day Camp is one of the most prestigious camp of NCC. It has various activities like PM Rally, Kartavya Path, GOH etc. This year the motto of Kartavya Path was "Nari Shakti" and our Cadet Neetika Saroha got the opportunity to be part of RDC 2024 held at DGNCC campus New Delhi. She also participated in Kartavya path as NCC contingent. She also got the opportunity to meet DGNCC and they also visited CNS house and Pradhanmantri Sanghralya. Our Chandigarh group also secured 1st position in Inter Group Competition and won the banner.
- Cadets from the three wings of NCC participated at Republic Day parade at Sector 17 ground, Chandigarh. It is truly a proud moment for us as the RDC parade is the most prestigious parade in the country

## NATIONAL SERVICE SCHEME (NSS)

The National Service Scheme (NSS) was established in 1969. It is a flagship initiative of the Government of India's Ministry of Youth Affairs & Sports. Its primary objective is to provide young students with practical experience in community service. The NSS Cell at Post Graduate Government College, Sector-11, Chandigarh has five NSS Units (all funded by the Ministry of Youth Affairs and Sports). The NSS Cell is a vibrant and dedicated team that fosters social responsibility and community engagement among students. The cell has successfully organized various activities under the guidance of the NSS Programme Officers. They are:

- Blood Donation Camps
- Tree Plantation Drives
- Swachh Bharat Abhiyan
- Community service projects in adopted villages
- Three Months Vigilance Awareness Campaign
- Yuva Samvad: India@2047
- Awareness campaigns on social issues like drug abuse, corruption and environmental conservation

NSS volunteers actively participated in numerous State, National, and International events, such as:

- Republic Day Parade
- National Youth Festival
- National Integration Camps
- National Adventure Camps
- International Youth Exchange Programs

In sync with the NSS motto, "Not Me But You", our volunteers are committed to selfless service and community engagement. Through NSS we shape young minds into responsible citizens of tomorrow.

## MODEL UNITED NATIONS

### First ever Model United Nations (MUN) in PGGC-II

The NSS Cell of Post Graduate Government College, Sector-II, Chandigarh, hosted a three-day inter-state Model United Nations (MUN) Conference from January 29-31, 2024. This event aligned with the theme “One Earth, One Family and One Future” of Viksit Bharat Abhiyan (Developed India Mission). It brought together delegates from various colleges and states representing different countries and committees. The conference aimed to simulate the model of United Nations to foster cultural and intellectual curiosity, and to promote global citizenship. Delegates engaged in diplomatic debates, negotiations, and resolution-drafting on pressing national/international issues, including contemporary geopolitical issues viz., Israel-Palestine, Russia-Ukraine, international terrorism, human rights and UNSC's role etc. The event was a continuation of the efforts of the college to promote Developed India Mission, via G-20 activities and Youth Parliament. It provided a unique platform for students to develop essential skills in diplomacy, public speaking, and problem-solving, shaping them into responsible global citizens.

## YOUTH PARLIAMENT

Post Graduate Government College, Sector-II, Chandigarh, hosted a Youth Parliament (YP) on 2nd September 2023 for students in the college auditorium. This event was organized to promote democratic values and practices among students with an aim to fostering good habits, inculcate discipline, develop tolerance, and respect for diverse opinions.

The event featured a mock parliamentary session, where students took on roles as members of different political parties, engaging in debates on significant national and international issues. The proceedings were recorded and submitted to the Ministry of Parliamentary Affairs through an online portal. All participants received certificates from the Ministry with selected students being further considered for the National Youth Parliament program. All debaters and participants got certificates from the Ministry.

## OUR PROUD COLLABORATIONS

The PGGC-II signed an Memorandum of Understanding (“MoU”) with Society of Technology Business Incubator at IISER Mohali for Incubation of Startups under Institute Innovation Cell (IIC) of PGGC-II for the purpose of collaboration for promoting Entrepreneurship, nurturing Startups and providing Incubation Support.

The PGGC-II signed an Memorandum of Understanding (“MoU”) with Earth Charter International and M/S. BHARAT SOKA GAKKAI, an organization engaged in the promotion of peace, cultural and education activities across India, spread over 600 towns and cities. A Sustainable Development Goals club was formed under its aegis to organize exhibitions, seminars, guest lectures and workshops to raise awareness.

Rangoli Competition, Electoral Literacy Club

In 2018, the Electoral Literacy Club (ELC) was set up on the campus under the Systematic Voters Education and Electoral Participation (SVEEP) program of the Election Commission of India. The main objectives are to educate people about voter registration, electoral process related matters through hands-on experience; facilitating EVM and VVPAT familiarization and education about the robustness of EVM as well as the integrity of the electoral process using EVMs;

helping the target audience to understand the value of their vote to harness the potential of ELC members for carrying out electoral literacy in communities; to facilitate voter registration for its eligible members who are not yet registered; developing a culture of electoral participation.

Since its inception, the Department of Political Science (Nodal Office of ELC) have been undertaking the responsibility for promoting electoral literacy among all the different stakeholders by engaging them in interesting activities and hands-on experience through action-based approach but in an apolitical, neutral and non-partisan manner. The club has students from all semesters as its members. The club especially targets new voters who are pursuing their graduation but also apprises them about their voting rights and spreads awareness through different thematic issues like Democracy: the Government of the People, by the People, for the People; My Vote is My Right/The Value of a Vote; Inclusive Elections: Every Vote Counts; Ethical and Informed Voting; Model Code of Conduct; Secrecy of Vote; Integrity of Electoral Process through use of EVM and VVPAT; Knowing Your Candidate; National Voters' Day; Election Manifestoes; Exit and Opinion Polls and Social Media and Political Campaigning etc.

Moreover, to achieve its goals, the club organises various activities throughout the years like Art Contests, Poster Making, Woodcuts/Lithography Contests, Mime-Acts/Street-Plays/Roadshows: Photography Contests, Film Screenings and Short Film Making Contest, Dance/Music competitions, Election Quiz, Voters Pledge, Special Drive for college students above the age of 18 Debate/Speech Elocution Competition Debates, Ballot Bistros, Parliamentary Debate, a Panel Discussion or a speech Elocution competition, The National Voters' Day celebration.

One can become a member by registering herself/himself at the beginning of the academic year. After registration, one is recognized as a member till the completion of her/his graduation course. The ELCs will be an inclusive club that must make every attempt to ensure the participation of students with disabilities.

The well known Career Counseling and Placement Cell of the college goes beyond mere campus placement endeavors. It encompasses a multifaceted approach aimed at nurturing and guiding final-year college students across diverse academic streams towards

varied career pathways. This includes qualification in CDS exams for entry into the Armed Forces, mentorship for Civil Services aspirants, and facilitation of awareness regarding courses offered by esteemed institutions like JNU, TISS, and IIMs. Moreover, the Cell underscores the holistic development of individuals, imparting guidance on personal grooming and demeanor to bolster their confidence in facing the complexities of the professional realm.

In the wake of the COVID-19 pandemic, the Cell seamlessly transitioned to virtual platforms ensuring the continuity of campus placement drives and counseling sessions. Its overarching objective remains the cultivation of a competitive spirit among students empowering them to excel in their chosen career trajectories.

Aligned with its overarching goals, the Cell has set forth clear objectives. These encompass conducting intensive sessions on interview techniques, fostering Industry-Academia collaborations to discern emerging job trends, and instilling a proactive approach towards diverse job sectors and entrepreneurship endeavors. Additionally, the Cell is dedicated to honing students' soft skills and ICT proficiency to equip them for the global job market.

Visionary in its outlook, the Cell aspires to augment students' employability quotient and furnish them with effective job search strategies for a seamless career progression. Rooted in its mission statement, the Cell operates as a dynamic platform, integrating career guidance tailored to contemporary industry requisites from the inception of students' academic journeys.

The recipe for success outlined by the Cell entails a proactive approach to keeping students abreast of industry essentials, facilitated through engagements with industry experts and pre-placement presentations. Furthermore, industry internships afford students invaluable real-world exposure, complementing their academic pursuits.

The Campus Placement roster reflects the Cell's commitment to facilitating diverse career opportunities for students, featuring esteemed organizations spanning various sectors.

To summarize, the Career Counseling and Placement Cell epitomizes a steadfast support system, poised to equip students with the requisite skills and insights to navigate the intricacies of their professional odyssey. Through its comprehensive endeavors the Cell fosters a conducive ecosystem wherein each student can actualize their career aspirations and life goals.

## OUR ALUMNI: OUR PRIDE

Alumni association arose from the need of the academicians and professionals to bridge the gap between college and professional life of the students in the competitive era of today. The idea evolved and shaped up in the form of the alumni association of the college- The **Raavians** with an aim that both the ends shall work hand in hand to help each other grow and contribute.

Therefore, the Alumni Association of Postgraduate Government College, Sector-I I, Chandigarh with its mission provides a vibrant, global network that engages all in mutually actionable ways. It is a supporting unit in all the endeavors of the college. Be it the pursuit of the general mission and vision or adding value to the college's goals and objectives - the institute always receives support from the Alumni Association.

The registered Association has a long list of illustrious and prominent alumni, many of whom have dedicated their lives to service through various roles in community and are making tremendous contributions to society in different fields of administrative services, education, judiciary, business. Some of the names of which the college is so proud are Pawan Kumar Bansal, Satyapal Jain, Bhupinder Singh Hooda, Jagmohan Singh Kang, K.T.S. The National Education Policy, 2020 (NEP) aims for a comprehensive overhaul of the education system, rooted in Indian values, to propel India, or Bharat, into a sustainable, equitable, and knowledge-driven society. Central to this vision are pillars of Access, Equity, Quality, Affordability, and Accountability. NEP 2020 promises to equip the youth to tackle both national and global challenges by fostering multidisciplinary education, institutional autonomy, quality research, teacher development, technology integration, internationalization, governance restructuring, and curriculum diversification.

In higher education, NEP 2020 advocates for a holistic approach, emphasizing multidisciplinary learning, institutional autonomy, and quality research facilitated by the National Research Foundation. It underscores the importance of continuous teacher development, technology integration, and international collaboration. The policy also aims to revamp governance and regulatory frameworks, diversify curricula, enhance pedagogy, improve assessment methods, and promote content availability in Indian languages.

The Panjab University has decided to implement NEP-2020 w.e.f academic session 2024-25 in its affiliated colleges vide letter no. D-DCDC/24/179 dated 23.04.2024.

### THE FUNDAMENTAL PRINCIPLES OF THE POLICY

- **Recognizing, identifying, and fostering the unique capabilities of each student**, by sensitizing teachers as well as parents to promote each student's holistic development in both academic and non-academic spheres.
- **Flexibility**, so that learners have the ability to choose their learning trajectories and programmes, and thereby choose their own paths in life according to their talents and interests;
- **No hard separations** between arts and sciences, between curricular and extra-curricular activities, between vocational and academic streams, etc. in order to eliminate harmful hierarchies among, and silos between different areas of learning.
- **Multidisciplinary and a holistic education** across the sciences, social sciences, arts, humanities, and sports for a multidisciplinary world in order to ensure the unity and integrity of all knowledge;
- **Emphasis on conceptual understanding** rather than rote learning and learning-for-exams.
- **Creativity and critical thinking** to encourage logical decision-making and innovation;
- **Ethics and human & Constitutional values** like empathy, respect for others, cleanliness, courtesy, democratic spirit, spirit of service, respect for public property, scientific temper, liberty, responsibility, pluralism, equality, and justice;
- **Promoting multilingualism and the power of language** in teaching and learning;
- **Life skills** such as communication, cooperation, teamwork, and resilience;
- **Focus on regular formative assessment for learning** rather than the summative assessment that encourages today's 'coaching culture';

- **Extensive use of technology** in teaching and learning, removing language barriers, increasing access for Divyang students, and educational planning and management;
- **Respect for diversity and respect for the local context** in all curriculum, pedagogy, and policy, always keeping in mind that education is a concurrent subject;
- **Full equity and inclusion** as the cornerstone of all educational decisions to ensure that all students are able to thrive in the education system;
- **Synergy in curriculum across all levels of education** from early childhood care and education to school education to higher education;
- **Teachers and faculty as the heart of the learning process** – their recruitment, continuous professional development, positive working environments and service conditions;
- A **'light but tight' regulatory framework** to ensure **integrity, transparency, and resource efficiency** of the educational system through audit and public disclosure while encouraging innovation and out-of-the-box ideas through autonomy, good governance, and empowerment;
- **Outstanding research** as a co requisite for outstanding education and development;
- **Continuous review** of progress based on sustained research and regular assessment by educational experts;
- **A rootedness and pride in India**, and its rich, diverse, ancient and modern culture and knowledge systems and traditions.
- **Education is a public service**; access to quality education must be considered a basic right of every child;
- **Substantial investment in a strong, vibrant public education system** as well as the encouragement and facilitation of true philanthropic private and community participation.

## THE VISION OF THIS POLICY

- To contribute directly to transforming India, that is Bharat, sustainably into an equitable and vibrant knowledge society, by providing high-quality education to all, and thereby making India a global knowledge superpower.
- To develop a deep sense of respect towards the fundamental duties and Constitutional values, bonding with one's country, and a conscious awareness of one's roles and responsibilities in a changing world through curriculum and pedagogy of institutions.
- To instill a deep-rooted pride in being Indian, not only in thought, but also in spirit, intellect, and deeds, as well as to develop knowledge, skills, values, and dispositions that support responsible commitment to human rights, sustainable development and living, and global well-being, thereby reflecting a truly global citizen.

In this regard, it is important for all the applicants seeking admission in 1st year BA (Hons.)/ Bsc (Hons.) /Bcom (Hons.)/ BBA (Hons.)/ BCA (Hons.), BA (Hons.) with Research/ Bsc (Hons.)/BCom (Hons.)/ BBA (Hons.)/ BCA (Hons.) .4 year degree programme under NEP 2020 to read, understand and comprehend the NEP 2020 document, its provisions as applicable to Higher Education. A few important and relevant highlights are outlined below. A detailed presentation in this regard is also uploaded on the website <http://dhe.chd.gov.in/> for further clarification in the matter.

## CURRICULUM AND CREDIT FRAMEWORK FOR UNDERGRADUATE PROGRAMMES

In accordance with the NEP 2020, UGC has formulated a New Student-Centric “Curriculum and Credit Framework for Undergraduate Programmes (CCFUP)” incorporating

- ✓ Flexible Choice-Based Credit System
- ✓ Multidisciplinary Approach
- ✓ Multiple Entry and Exit Options

This will facilitate students to pursue their career path by choosing the subject / field of their interest.

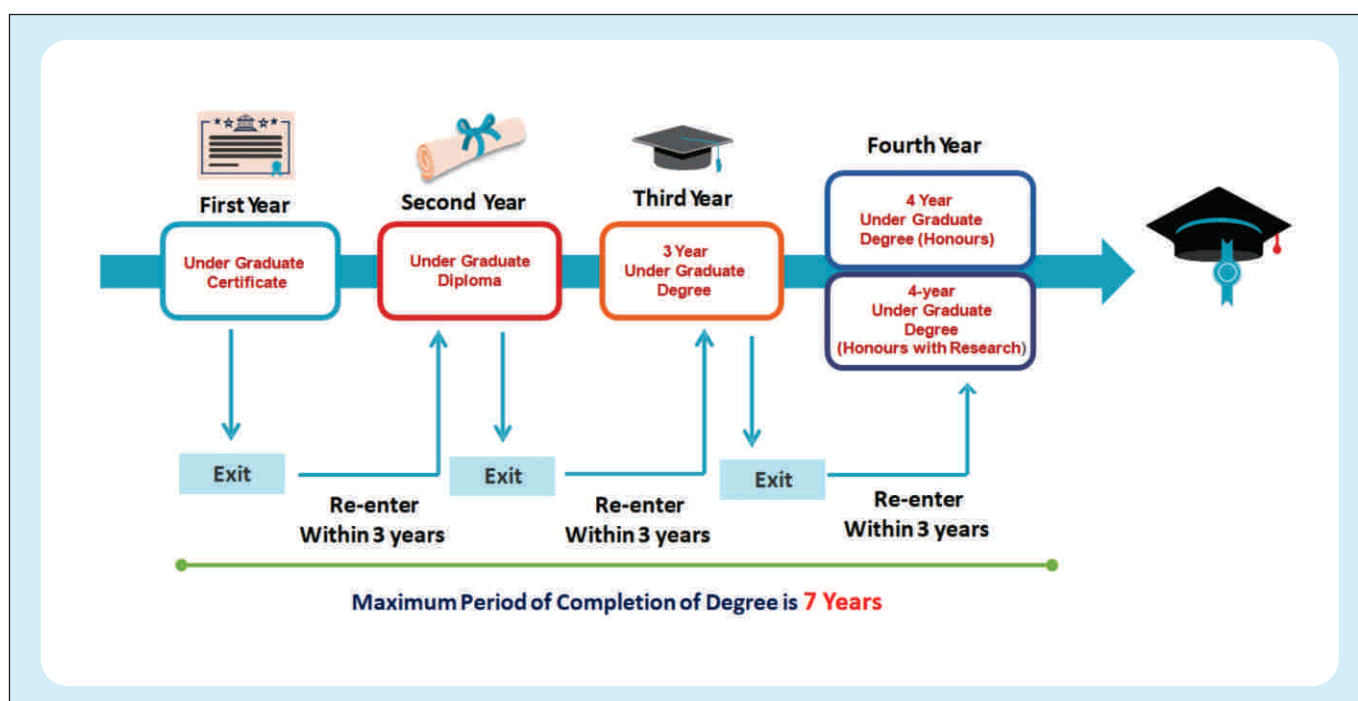

## CERTIFICATION AND DURATION OF STUDY WITH MULTIPLE ENTRY & MULTIPLE EXIT OPTIONS

The undergraduate degree will have a flexible duration of either three or four years, with multiple exit and multiple entry options during this period. The table and an exhibit given below outlines the various certifications a student can earn at different stages of their undergraduate study:

**Table: CERTIFICATION EARNED AT DIFFERENT STAGES OF UNDERGRADUATE PROGRAMME**

Duration of Study	Semesters Completed	Certification Earned
4 Years	Eight Semesters	Bachelor's Degree(Honours)
		Bachelor's Degree(Honours and Research)
3Years	Six Semester	Bachelor's Degree
2 Years	Four Semesters	Undergraduate Diploma
1 Year	Two Semesters	Undergraduate Certificate

**Exhibit: CERTIFICATION EARNED AT DIFFERENT STAGES OF UNDERGRADUATE PROGRAMME**

## SEMESTER AND CREDIT STRUCTURE

A standard academic year is divided into two semesters, each semester spanning a minimum of 15 weeks. In addition to this, an eight-week summer term is also included in the academic calendar.

During the summer term, students are encouraged to engage in internships, apprenticeships or work-based vocational education and training. This is particularly beneficial for students who plan to exit after two or four semesters of study.

## CREDIT REQUIRED FOR CERTIFICATION AT DIFFERENT STAGES OF UNDERGRADUATE PROGRAMME

### Multiple Exit and Entry Options

Programme Exit	Credits Required	Additional Requirement	Awarded	Re-Entry to Degree
After Year 1	48 Credits	Completion of one 4- credit vocational course/internship/ apprenticeship (in addition to 6 credits from Skill based course) during summer vacation of year 1.	UG Certificate	Within three years of exit
After Year 2	96 Credits	Completion of one 4- credit vocational course/internship/apprenticeship course during summer vacation of year 2.	UG Diploma	Within three years of exit
After Year 3	144 Credits	Compliance with minimum credit requirements specified in regulations	3 Year UG Degree	Within three years of exit
After Year 4	192 Credits	Compliance with minimum credit requirements specified in regulations	4 Year UG Honours Degree	NA
After Year 4(Honours with Research )	192 Credits(including 12 Credit Research Project/Dissertation)	75% and above marks in the first six semesters, completion of a research project/dissertation under faculty guidance in the major discipline.	4 Year UG Honours with Research Degree	NA

## ELIGIBILITY FOR UNDERGRADUATE PROGRAMMES

Specific eligibility criteria for pursuing undergraduate degrees in the Arts, Science or Commerce disciplines are specified in the Admission Guidelines of PU for the academic session 2024-25. These are also reproduced later in this document.

## COMPONENTS OF THE STRUCTURE / CURRICULUM FRAMEWORK OF UNDERGRADUATE PROGRAM

In the inaugural year of the undergraduate program, students will have the opportunity to create a multidisciplinary academic plan. This will include the following elements:

Course Type	Description
Major Core	The Central area of study chosen by the student.
Minor Stream	An additional area of study selected by the student, typically outside their major discipline.
Multidisciplinary/ Interdisciplinary course (MDSC)	Course intended to broaden the intellectual experience and from part of liberal art and science education other than their major and minor stream.
Ability Enhancement Courses (AEC)	Courses in English and Modern India Language aimed at enhancing language and communication skills.
Skills Enhancement Courses (SEC)	Practical courses designed to enhance the application of knowledge and provide hands-on experience.
Value-Added Courses (VAC)	Extra course that provide additional knowledge and skills beyond the curriculum.

### Curricular components of the undergraduate programme

The curriculum consists of major stream courses, minor stream courses and courses from other disciplines, language courses, skill courses, and a set of courses on Environmental education, understanding India, Digital and technological solutions, Health & Wellness, Yoga education, and sports and fitness. At the end of the second semester, students can decide either to continue with the chosen major or request a change of major. The minor stream courses include vocational courses which will help the students to equip with job oriented skills.

- a) **Disciplinary/interdisciplinary major (72 credits for three year UG & 112 credits for four year UG):** The major would provide the opportunity for a student to pursue in-depth study of a particular subject or discipline. Students may be allowed to change major within the broad discipline at the end of the second semester by giving her/him sufficient time to explore interdisciplinary courses during the first year. Advanced-level disciplinary/interdisciplinary courses, a course in research methodology, and a project/dissertation will be conducted in the seventh semester. The final semester will be devoted to seminar presentation, preparation, and submission of project report/dissertation. The project work/dissertation will be on a topic in the disciplinary programme of study or an interdisciplinary topic.
- b) **Disciplinary/interdisciplinary minors (24 credits for three year UG & 32 credits for four year UG):** : Students will have the option to choose courses from disciplinary/interdisciplinary minors and skill-based courses relating to a chosen vocational education programme. Students who take a sufficient number of courses in a discipline or an interdisciplinary area of study other than the chosen major will qualify for a minor in that discipline or in the chosen interdisciplinary area of study. A student may declare the choice of the minor and vocational stream at the end of the second semester, after exploring various courses.

Vocational Education and Training: Vocational Education and Training will form an integral part of the undergraduate programme to impart skills along with theory and practical. A minimum of 12 credits will be allotted to the 'Minor' stream relating to Vocational Education and Training and these can be related to the major or minor discipline or choice of the student. These courses will be useful to find a job for those students who exit before completing the programme.

**c) Courses from Other Disciplines (Multidisciplinary) (09 credits):** All UG students are required to undergo 3 introductory-level courses relating to any of the broad disciplines given below. These courses are intended to broaden the intellectual experience and form part of liberal arts and science education. Students are not allowed to choose or repeat courses already undergone at the higher secondary level (12<sup>th</sup> class) in the proposed major and minor stream under this category:

**i. Natural and Physical Sciences:** Students can choose basic courses from disciplines such as Natural Science, for example, Biology, Botany, Zoology, Biotechnology, Biochemistry, Chemistry, Physics, Biophysics, Astronomy and Astrophysics, Earth and Environmental Sciences, etc.

**ii. Mathematics, Statistics, and Computer Applications:** Courses under this category will facilitate the students to use and apply tools and techniques in their major and minor disciplines. The course may include training in programming software like Python among others and applications software like STATA, SPSS, Tally, etc. Basic courses under this category will be helpful for science and social science in data analysis and the application of quantitative tools.

**iii. Library, Information, and Media Sciences:** Courses from this category will help the students to understand the recent developments in information and media science (journalism, mass media, and communication)

**iv. Commerce and Management:** Courses include business management, accountancy, finance, financial institutions, fintech, etc.,

**v. Humanities and Social Sciences:** The courses relating to Social Sciences, for example, Anthropology, Communication and Media, Economics, History, Linguistics, Political Science, Psychology, Social Work, Sociology, etc. will enable students to understand the individuals and their social behaviour, society, and nation. Students be introduced to survey methodology and available large-scale databases for India. The courses under humanities include, for example, Archaeology, History, Comparative Literature, Arts & Creative expressions, Creative Writing and Literature, language(s), Philosophy, etc., and interdisciplinary courses relating to humanities. The list of Courses that can include interdisciplinary subjects such as Cognitive Science, Environmental Science, Gender Studies, Global Environment & Health, International Relations, Political Economy and Development, Sustainable Development, Women's and Gender Studies, etc. will be useful to understand society.

**d) Ability Enhancement Courses (AEC) (08 credits): Modern Indian Language (MIL) & English language focused on language and communication skills.** Students are required to achieve competency in a Modern Indian Language (MIL) and in the English language with special

emphasis on language and communication skills. The courses aim at enabling the students to acquire and demonstrate the core linguistic skills, including critical reading and expository and academic writing skills, that help students articulate their arguments and present their thinking clearly and coherently and recognize the importance of language as a mediator of knowledge and identity. They would also enable students to acquaint themselves with the cultural and intellectual heritage of the chosen MIL and English language, as well as to provide a reflective understanding of the structure and complexity of the language/literature related to both the MIL and English language. The courses will also emphasize the development and enhancement of skills such as communication, and the ability to participate/conduct discussion and debate.

**e) Skills Enhancement Courses (SEC) (09 Credits) :** These courses are aimed at imparting practical skills, hands-on training, soft skills, etc., to enhance the employability of students. The institution may design courses as per the students' needs and available institutional resources.

**f) Value-Added Courses (VAC) Common to All UG Students (6-8 credits)** These courses are aimed at imparting practical skills, hands-on training, soft skills, etc., to enhance the employability of students. The institution may design courses as per the students' needs and available institutional resources.

**i. Understanding India:** The course aims at enabling the students to acquire and demonstrate the knowledge and understanding of contemporary India with its historical perspective, the basic framework of the goals and policies of national development, and the constitutional obligations with special emphasis on constitutional values and fundamental rights and duties. The course would also focus on developing an understanding among student-teachers of the Indian knowledge systems, the Indian education system, and the roles and obligations of teachers to the nation in general and to the school/community/society. The course will attempt to deepen knowledge about and understanding of India's freedom struggle and of the values and ideals that it represented to develop an appreciation of the contributions made by people of all sections and regions of the country, and help learners understand and cherish the values enshrined in the Indian Constitution and to prepare them for their roles and responsibilities as effective citizens of a democratic society.

**ii. Environmental science/education:** The course seeks to equip students with the ability to apply the acquired knowledge, skills, attitudes, and values required to take appropriate actions for mitigating the effects of environmental degradation, climate change, and pollution, effective waste management, conservation of biological diversity, management of biological resources, forest and wildlife conservation, and sustainable development and living. The course will also deepen the knowledge and understanding of India's environment in its totality, its interactive processes, and its effects on the future quality of people's lives.

**ii. Digital and technological solutions:** Courses in cutting-edge areas that are fast gaining prominences, such as Artificial Intelligence (AI), 3-D machining, big data analysis, machine learning,

drone technologies, and Deep learning with important applications to health, environment, and sustainable living that will be woven into undergraduate education for enhancing the employability of the youth.

**IV. Health & Wellness, Yoga education, sports, and fitness:** Course components relating to health and wellness seek to promote an optimal state of physical, emotional, intellectual, social, spiritual, and environmental well-being of a person. Sports and fitness activities will be organized outside the regular institutional working hours. Yoga education would focus on preparing the students physically and mentally for the integration of their physical, mental, and spiritual faculties, and equipping them with basic knowledge about one's personality, maintaining self-discipline and self-control, to learn to handle oneself well in all life situations. The focus of sports and fitness components of the courses will be on the improvement of physical fitness including the improvement of various components of physical and skills-related fitness like strength, speed, coordination, endurance, and flexibility; acquisition of sports skills including motor skills as well as basic movement skills relevant to a particular sport; improvement of tactical abilities; and improvement of mental abilities.

The HEIs may introduce other innovative value-added courses relevant to the discipline or common to all UG programmes.

**g) Summer Internship /Apprenticeship (2 – 4 credits):** A key aspect of the new UG programme is induction into actual work situations. All students will also undergo internships / Apprenticeships in a firm, industry, or organization or Training in labs with faculty and researchers in their own or other HEIs/research institutions during the summer term. Students will be provided with opportunities for internships with local industry, business organizations, health and allied areas, local governments (such as panchayats, municipalities), Parliament or elected representatives, media organizations, artists, crafts persons, and a wide variety of organizations so that students may actively engage with the practical side of their learning and, as a by-product, further improve their employability. Students who wish to exit after the first two semesters will undergo a 4-credit workbased learning/internship during the summer term in order to get a UG Certificate.

**Community engagement and service:** The curricular component of 'community engagement and service' seeks to expose students to the socio-economic issues in society so that the theoretical learnings can be supplemented by actual life experiences to generate solutions to real-life problems. This can be part of summer term activity or part of a major or minor course depending upon the major discipline.

**Field-based learning/minor project:** The field-based learning/minor project will attempt to provide opportunities for students to understand the different socioeconomic contexts. It will aim at giving students exposure to development-related issues in rural and urban settings. It will provide opportunities for students to observe situations in rural and urban contexts, and to observe and study actual field situations regarding issues related to socioeconomic development. Students will be given opportunities to gain a first-hand understanding of the policies, regulations, organizational structures,

processes, and programmes that guide the development process. They would have the opportunity to gain an understanding of the complex socio-economic problems in the community, and innovative practices required to generate solutions to the identified problems. This may be a summer term project or part of a major or minor course depending on the subject of study.

**h) Research Project / Dissertation (12 Credits) :** Students choosing a 4-Year Bachelor’s degree (Honours with Research) are required to take up research projects under the guidance of a faculty member. The students are expected to complete the Research Project in the eighth semester. The research outcomes of their project work may be published in peer-reviewed journals or may be presented in conferences/seminars or may be patented.

## CREDIT STRUCTURE OF UNDERGRADUATE PROGRAM AS PER PANJAB UNIVERSITY, CHANDIGARH

### Structure of the Undergraduate Programme

Minimum Credit Requirements to award Degree under Each

S. No.	Broad category of courses	Minimum Credit Requirement	
		3 Year UG	4 Year UG
1	Major (Core)	72	112
2	Minor stream	24-32	32-40
3	Multidisciplinary/ Interdisciplinary (MDSC)	09	09
4	Ability Enhancement Courses (AEC)	08-10	08-10
5	Skill Enhancement Courses (SEC)	09	09
6	Value Added Courses (VAC)	06-08	06-08
7	Internship	02-04	02-04
8	PBC/HCP	04-12	04-12
9	For the students of 4 Year UG Degree with Research – Research Project/ Dissertation: 12 Credits (04 Credits for Research Methodology and 08 Credits for Dissertation) in place of papers meant for the degree without Research.		
<b>Total</b>		<b>144</b>	<b>192</b>

*Note: Honours students not undertaking research will do 3 courses for 12 credits in lieu of a research project/Dissertation.*

### Credit Hour Allocation for Different Course Types

The workload associated with a course will be measured in terms of credit hours. One credit hour is equivalent to one hour of instructional time per week over the duration of a semester (minimum 15 weeks).

### Credit Hours per Course Component

The weekly and semester-wise instructional hours associated with each credit for different components are as follows:

**Table: Credit Hours per Course Component**

Course Component	Weekly Hours per Credit	Total Hours in a 15 - week Semester
Lecture	1 Hour	15 Hours
Tutorial	1 Hour	15 Hours
Practicum	2 Hours	30 Hours
Seminar, Internship, Studio Activities, Field Practice/Projects, Community Engagement and Service	2 Hours	30 Hours

### Letter Grades and Grade Points

The Semester Grade Point Average (SGPA) is computed from the grades as a measure of the student's performance in a given semester. The SGPA is based on the grades of the current term, while the Cumulative GPA (CGPA) is based on the grades in all courses taken after joining the programme of study. The HEIs may also mention marks obtained in each course and a weighted average of marks based on marks obtained in all the semesters taken together for the benefit of students.

Letter Grade	Grade Point
O (outstanding)	10
A+ (Excellent)	9
A (Very good)	8
B+ (Good)	7
B (Above average)	6
C (Average)	5
P (Pass)	4
F (Fail)	0
Ab (Absent)	0

### Computation of SGPA and CGPA

The UGC recommends the following procedure to compute the Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA):

I. The SGPA is the ratio of the sum of the product of the number of credits with the grade points scored by a student in all the courses taken by a student and the sum of the number of credits of all the courses undergone by a student, i.e.

$$SGPA (S_i) = \frac{\sum(C_i \times G_i)}{\sum C_i}$$

Where  $C_i$  is the number of credits of the  $i$ th course and  $G_i$  is the grade point scored by the student in the  $i$ th course.

## UGC recommends the following procedure to compute the SGPA CGPA

$$SGPA (S_i) = \sum(C_i \times G_i) / \sum C_i$$

$C_i$  is the number of Credits of the  $i$ th Course and

$G_i$  is the grade point scored by the student in the  $i$ th course.

### Example for Computation of SGPA

Semester	Course	Credit	Letter Grade	Grade Point	Credit Point (Credit × Grade)
I	Course 1	3	A	8	3×8=24
I	Course 2	4	B+	7	4×7=28
I	Course 3	3	B	6	3×6=18
I	Course 4	3	O	10	3×10=30
I	Course 5	3	C	5	3×5=15
I	Course 6	4	B	6	4×6=24
		20			139
<b>SGPA</b>					<b>139/20=6.95</b>

$$CGPA = \sum(C_i \times S_i) / \sum C_i$$

$S_i$  is the SGPA of the  $i$ th semester and

$C_i$  is the total number of credits in that semester

### Example for Computation of CGPA

Semester 1	Semester 2	Semester 3	Semester 4	Semester 5	Semester 6
Credit: 21 SGPA:6.9	Credit: 22 SGPA:7.8	Credit: 25 SGPA:5.6	Credit: 26 SGPA:6.0	Credit: 26 SGPA:6.3	Credit: 25 SGPA:8.0
<b>CGPA=6.73(21×6.9+22×7.8+25×5.6+26×6.0+26×6.3++25×8.0)/145</b>					

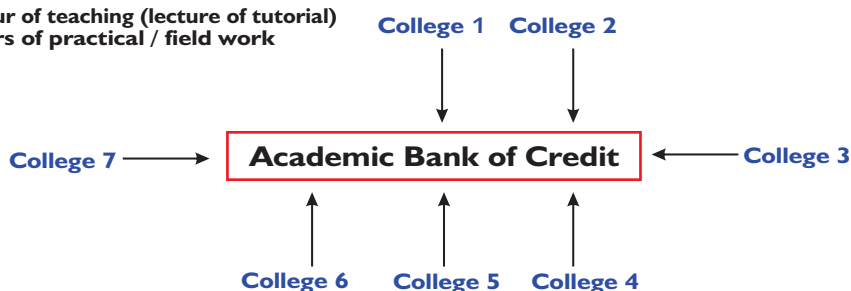

## Academic Bank of Credit (ABC)

Under NEP 2020, the students are required to store credits for the completion of learning journey. Academic Bank of Credits (ABC) is a platform provided by Govt. of India that stores the information of the credits earned by an individual students throughout his/her education programme.

An Academic Bank of Credit (ABC) of each student, will be established which would store the academic credits earned by a student from various recognized HEIs, so that the degrees from an HEI can be awarded taking into account the total credits earned.

### Credit-Based

\* 1 Credit = 1 hour of teaching (lecture or tutorial)  
= 2 hours of practical / field work

Each student is required to register on ABC.com. The steps to register **on ABC** are as follows:

1. Login to DigiLocker. Student with DigiLocker Account can create ABC ID.
2. Search for Education. Education category shows Academic Bank of Credits service.
3. Create ABC ID. Select your University and click on Generate ABC ID.
4. Accumulate Credits. Students can check accumulated credits by logging into abc.gov.in.

### How it works?

Credits get deposited

Institution A

Transfer of Credits

Redeem Credits

Institution B

**“Credits awarded to a student for one program from an institution may be transferred / redeemed by another institution upon students consent”.**

**Credit transfer is the key to successful student mobility.**

## Brief Overview of NEP Regulations for B.A./ B.A. Honours.

### Four years (8 semesters) Undergraduate Programme for Colleges Affiliated to Panjab University , Chandigarh

#### What is NEP?

NEP or New Education Policy (2020) replaces the old National Educational Policy of 1986 and transitions from a 3- year Bachelor's degree programme to a 4-year Multi-Disciplinary Bachelor's Degree programme with multiple exit options.

#### How does NEP work?

In the first semester : The student will choose three Discipline Specific Courses, AI, BI and CI with 4 credits each; one Multidisciplinary course or MDC of 3 credits; one Ability Enhancement Course or AEC- (Compulsory English) of 2 credits; one Skill Enhancement or SEC of 3 credits; one Pbi/HCP course of 2 credits leading to a total of 24 credits.

#### Template in a Tabular Form

Semester I	Subject-A (4 Credits)	Subject-B (4 Credits)	Subject-C (4 Credits)	MDC/IDC (3 Credits)	AEC (2 Credits)	VAC (2 Credits)	SEC (3 Credits)	Internship/Community Work (4 Credit)	PBI/HCP (2 Credits)	Total = 24 Credits
---------------	-----------------------------	-----------------------------	-----------------------------	---------------------------	-----------------------	-----------------------	-----------------------	---	---------------------------	--------------------------

#### Eligibility criteria for Admission to B.A./B.A. Hons.

- Should have passed 10+2 examination from a recognized board.

#### Description of Exit Options

1. After one year of study: 48 credits+ 4 credits from Summer Internship/ Community work = UG Certificate.
2. After two years of study: 96 credits + 4 credits from SI/ CW= UG Diploma
3. After three years of study: 144 credits =B.A. Degree
4. After 4 years of study: 192 credits =B.A. (Hons) Degree
5. Students securing 75% in aggregate in 6 semesters shall be eligible for a 4 year B.A. Honours with Research Degree
