

01. ABOUT THE COLLEGE

Postgraduate Government College, Sector 11, Chandigarh, right from its inception in 1953 has been a premier institute in the region with a vision of academic excellence and creativity that encourages multifaceted development of its students. It is one of the oldest colleges in the 'City Beautiful'. Centrally located and easily accessible PGGC-11 is a home away from home. The College and the City have pinnacles of growth and renewal, synchronously and are still imbued with more possibilities and potentials.

As a matter of pride the College provides Bachelor courses in Arts, Science, Commerce and Computer Science (B.A., B.Sc., B.C.A, B.Com, B.B.A, B.P.Ed.) and Postgraduate courses in Chemistry, Information Technology, History, English, Punjabi, Commerce and Physical Education.

With the proud legacy of 70 years the institute provides its students a well-structured, healthy and harmonious environment that makes them sure-footed in knowledge while remaining firmly rooted in culture, values and traditions of our country. Many of our students have excelled in their subject. They made and left their mark in the merit list of Panjab University. As a prestigious institute of learning, it has grown into an epicenter of intellectual and aesthetic activities in the region. Being the first college in the city, it has time and again, proven itself eminently worthy of its role as a torchbearer. The College aims to provide a congenial atmosphere and constructive channel to its students for the fullest development of their multi-dimensional personalities. The College, while proud of its past achievements, is marching ahead on its journey to achieve excellence.

02. OUR VISION

“Transform one life, Transform the Nation”.

Activities in the College are driven to transform the students into awakened beings that would bring transformation in our society and the Nation. The Institute strives to be the standard of excellence for other colleges fostering intellect, creativity, aesthetic appreciation and character as an active student center learning community. The formal and informal arrangements are specially curated to coordinate the academic and administrative planning. Our implementation reflects the institutional efforts in achieving its vision by setting up an example in curriculum and interactive environment. Our vision is to produce generations of optimistic, resourceful, committed

and passionate future leaders who will continue to transform the society and the Nation.

03. OUR MISSION

The motto of PGGC-11 “Higher and Still Higher” highlights our mission- Transcending knowledge beyond books and Academics. The Institute is committed to provide knowledge that highlights the intellectual capacity as well as builds the character of the students.

The College aims -

- To make quality education more accessible to the students.
- To inculcate team spirit and instill a sense of discipline and responsibility.
- To sensitize the students towards social concerns, gender issues, challenges pertinent to differently- abled people and economically weaker section of society
- To promote civic ecology practices on campus and beyond for a sustainable relationship between the human community and nature.
- To enrich the knowledge of the students with innovative ideas, concepts and debates
- To polish their multifaceted abilities and learning.
- To prepare the students to face the realities and challenges of the world.

04. INTERNAL QUALITY ASSURANCE CELL

The IQAC has contributed significantly for the Academic and Administrative Audit (AAA) to take into account the processes of teaching-learning in all disciplines and to institutionalize the quality in all academic and administrative matters of the College. Some of the measures taken in this regard are:

Devising strategies to improve the teaching-learning process through increased use of ICT, expanding the scope of the library, transforming it into a multivalent knowledge portal and signing MoUs with research institute to re-define the boundaries of meaningful and holistic education.

The implementation of academic calendar, focus on the syllabus to be taught, distribution of time- table, curriculum delivery, compliance as per the schedule, assigning of academic responsibilities and internal committees’ formulation for various

department activities. All the achievements and activities are compiled in the form of departmental profiles.

The documents of internal assessment, policy for moderation of marks and analysis of the results of semester examinations are carefully examined as per audit process protocol.

A platform for engaging with students and addressing their concerns, regularly takes place via carefully designed teacher- student mentoring programs.

IQAC has implemented the feedbacks system from students based on institutional parameters such as infrastructure and facilities, curriculum delivery and pedagogy, discipline and environment, staff and support etc.

Faculty development programmes (paper presentation/participation in faculty development courses, publications, honours and distinctions) are also documented.

IQAC has regularly convened meetings. It has submitted the AQARs to NAAC in time.

05. COURSES OFFERED

Believing that each student is special and has the potential to excel in many different ways, the college imparts instruction in different streams: Humanities (the students are offered a choice of 20 subjects in general and 10 subjects in Honours course), Science, Commerce, Bio-Technology, Business Administration, Computer Applications and Physical Education where B.P.Ed. is a 4-year course. Facilities for cultural activities

The College has one open stage for practice and performance. The campus has auditorium to facilitate cultural activities with a seating capacity of 400. Auditorium is a central space for all types of formal assemblies. The Conference Room and Seminar Room are also available for organizing the extracurricular activities. The Cultural Committee prepares the students for various competitive events of the youth festival. Giddha, Bhangra, Fine Arts and Dramatics, Heritage items are all presented at these competitions. College Annual Day and department wise activities are also conducted in the college to promote cultural activities.

Facilities for Sports

The campus has a sports pavilion with a seating capacity of 400 students. Our college is the only college in Tricity which has a cinder track of 400 meters. A flash back well fenced swimming pool is another attraction for students. This pool has its own filtration plant and separate changing room for boys and girls. The multipurpose gymnasium hall has huge space which is used for indoor activities like badminton, wrestling, Judo and yoga. There are two grounds one for cricket and another for football. College infrastructure includes volleyball courts, basketball courts, one each for hockey, khokho and handball.

- **Recently two synthetic tennis courts have been constructed**
- **Caging of Handball Court, Basketball Court and Volleyball Court was recently completed.**
- **His Excellency Banwarilal Purohit ji, Hon'ble Governor Punjab, and Administrator, UT, Chandigarh laid the foundation stone of the Advanced Academic and Research Centre. This research center set up at 9.93 crores with 2930 sqm of covered area, aims to foster Critical thinking, innovation, and problem-solving among the academic community as research contributes to the development of knowledge, new technologies, and solutions that can address societal challenges and drive economic growth.**

07. LIBRARY

The Library is the teaching-learning hub for the faculty and students. College library is well-equipped with the latest infrastructure, stocked with a good collection of books and periodicals. It is fully computerized, centrally air-conditioned, equipped with sixteen CCTV cameras and INFLIBNET database. It is very spacious with seating capacity of 220 students at a time. Library automation is extremely important in this age of technology. Due to immense growth in the different fields of knowledge, there is a need for access to the desired literature. The college library is fully automated with LIBSYS software (Web Centric LSEase on cloud) along with Web OPAC and 18 desktop systems. Libsys is integrated library system software designed and developed to manage small and large library operations. Web OPAC (Online Public Access Catalogue) accessible with LAN, is installed in the library to ensure easy access to books. The

Library also provides access to about 6000 plus e-journals and 1,99,500+ ebooks under N-List and 6,00,000+ e-books through NDL.

The Library has the subscription for online resources such as e-Journals, e- books, databases, etc. in addition to regular books, journals, magazines, newspapers etc. News clippings are being sent to the faculty by Email. Library maintains an online database of old question papers of graduate and post- graduate level through the college website to benefit its 192 affiliated colleges of Panjab University, Chandigarh. Separate almirah is there for rare books in the library. It has a diverse collection of 1,10,124 books, 473 CDs of various disciplines, and 22 print journals. The library subscribes to 16 newspapers and 58 magazines and has a rich collection of reference texts such as encyclopaedia, dictionaries, atlas, and yearbooks. All the books in the library are bar-coded and are arranged according to DDC (Dewey decimal classification scheme). There is a Braille section for visually challenged students in the library with text to speech software. The main library is divided into different sections i.e Circulation Section, Textbook Section, Digital Corner Reference Section, Periodical Section with a spacious reading Room. Library has a Heritage furniture gallery of the Le-Corbusier Era. There is a book bank corner consisting of (approx. 6000 books) all donated /free books.

08. IT INFRASTRUCTURE

The PGGC ensures an extensive use of ICT facilities by providing adequate access to computers and internet to its students and faculty. There are eight computer laboratories equipped with desktops having the latest configuration systems. Over 350 computers were deployed across the Campus to giving computing facility to the students and faculty for hands on practical sessions. The college has 300 computers of which 176 are in different labs for students. The college has 60 classrooms of which 27 are IT enabled smart classrooms and the campus is fully Wi-Fi. The internet is managed with SOPHOS internet firewall. The College has two dedicated (1:1) internet leased line connections (150 Mbps and 50 Mbps) which are catering the internet needs. To make the learning process more productive various innovative methods such as group assignments and PowerPoint presentations are used by Faculty. The college library is fully automated. The college library has JAWS software for visually impaired students. The library is equipped with 01 server and 17 desktops. Wide range of e-books and e-journals are available through INFLIBNET. Public address conference system is installed

in the conference room and seminar room. There is a digital display board outside the auditorium to display the latest news of the college. The college website is maintained and upgraded regularly. It has different portals with latest updates.

09. COLLEGE HOSTELS

The college provides three hostels for its students coming from length and breadth of the country and across seven seas. For boys, there are two hostels viz., the Main Hostel that is within the college campus and the General Hostel in Sector 15B. For girl students, there is one hostel within the campus. 194 boys and 146 girls are residing in the above mentioned three hostels. Moreover, 61 girls are being accommodated in various other hostels in the vicinity in Chandigarh. All the hostels are spacious, green and offer a home away from home to its students.

Every year, the Hostel committee of both boys and girls celebrate various festivals like Deepawali, Holi, Gurpurab, Eid, Christmas etc. In addition to these events, Fresher's party and awareness seminars for girls and boys are regularly conducted.

Facilities Provided:

1. In all the three hostels the students are offered residential accommodation in the best possible living environment
2. Spacious rooms allotted on twin sharing basis – furnished with Two beds, Study table, Two chairs and Wardrobes
3. TV/Music Room – There is a cozy TV/Music room in the hostel to unwind after a hectic day in the college including Indoor games
4. Common Room / Study Room / Library – The hostels have a huge multi-purpose common room which is used for interactive session. This hall/room doubles up as the study room where students study together in large group. There is a library corner in this room which is very useful for the students
5. Visitor's Room – where the students meet their visitors
6. A huge courtyard & central lawn provide place for the students to relax
7. In girls hostel there is an in-house nurse to take care of the girls

10. ACTIVITIES UNDER RUSA

Coordinator: Dr. J.P. Singh

- RUSA is a centrally sponsored, overarching holistic and comprehensive umbrella scheme for norm-based funding for the State Universities and Colleges to achieve the goals of expansion, equity and excellence with the aim of imparting relevant and value-based education for improving employability.
- RUSA grant greatly enables the growth of the infrastructure of our institution. This institution was mainly built to cater 700 students but now it is hosting more than 5000 students.
- RUSA grant has helped us improve the facilities for the increasing student numbers to achieve academic excellence. This was mainly done by acquiring new instruments, equipment, girls common room and college renovations.
- Total Sanction grant for RUSA 2.0 Crore out of which 1.5 Crore was received and utilized. 90 Lakh was spent on new equipment and 60 lakh was spent on renovation/upgradation.
- Renovation of washrooms in IT and Defence Studies Departments.
- 45 laptops were purchased for Faculty.
- Renovation of Staff Room for Faculty and Girls Common Room.
- Lab equipment was purchased for all Science Departments.
- Open Gym in Girls Hostel and in playground etc.

12. CO-CURRICULAR ACTIVITIES

Extension Activities

The extension activities complement students' academic learning experience by adding to their knowledge and experience. The skill of comprehending things against a wider canvas and in the right perspective gets inculcated in them. Through the extension activities the students get in touch with the practical aspects of life. They learn teamwork, leadership skills, decision making etc while participating in these activities. The government college dramatic club (GCDC) regularly stages plays and 'Nukkad-Natak" on various burning issues like water conservation, violence against women and youth and drugs. **First time in the history of the college, Government College Dramatic Club (GCDC) created a new milestone by winning the first prize in the one-act play category at the All India 37th Interuniversity National Youth Festival at PAU Ludhiana.** Every department throughout the year organizes extension activities for students on days of national and international importance in their respective streams. The institution promotes students' services to the community through community outreach programmes held under the aegis of different societies like:

- Environment Awareness Society
- Traffic Awareness and Road Safety Society
- Best out of Waste Society
- Community Hygiene and Sanitation Society
- Gender Equity Society and Self Defence Society
- Stress Management and Drug De-addiction Society

- Aids Awareness and Public Health Society
- Literary Society
- Society to Promote Health through Physical Activity (SPHPA)
- Blood Donation Society
- Cultural and Heritage Society
- Dramatics Society

The institution enrolls students for its NSS unit who actively participate in various community outreach programmes at University, State and International Level. With the motto "Together We Can" NSS volunteers are ever ready to serve the deprived sections of the society. The college with its students and faculty members is always at the forefront in doing their best for the community.

NCC (AIR WING, ARMY WING, NAVAL WING)

Wing Commander (AIR WING): Dr. Rakesh Thakur

Wing Commander (ARMY WING): Dr. Paramjit Singh

Wing Commander (NAVAL WING): Dr. Madan Lal

The Heritage college of City Beautiful boasts of all three wings of NCC- Air Wing, Army Wing and Naval Wing. The motto of NCC: "UNITY AND DISCIPLINE" along with the motto of the college "Higher and still Higher" has inspired generations of young men and women to don the military attire to serve the nation. The college fosters among its cadets, through its NCC wings, qualities of character, courage, comradeship, discipline, leadership, secular outlook, and spirit of adventure, sportsmanship and the ideals of selfless service among the youth to make them useful citizens of the country. At another level, the mentors of Senior Division (SD)/ Senior Wing (SW) are motivated to create a human resource of organized, trained and motivated youth to provide leadership in all walks of life including the Armed Forces who will always be available for service to the nation. Over the years all the three wings of the NCC have won innumerable trophies at State and national level including the best cadet trophy at the prestigious Republic Day Parade. Of these winners many have gone on to attend Youth Exchange Programme (YEP) to distant shores. Outstanding cadets attend the challenging VayuSainik, Thal Sainik & NauSainik Camps. All the three wings have continuously won the Annual

Training Camp (ATC) since last several years. The college encourages new entrants to join the three wings of NCC and carry the glorious traditional head.

14. Institution's Innovation Council (IIC)

Innovation Cell is established in PGGC-11 to systematically foster the culture of innovation and startup ecosystem in our education system. The mission of the IIC is to encourage and support establishment and growth of technology and non-technology based start-ups. By fulfilling this mission, the Centre shall contribute to job creation, improve employability of graduates, enhance economic health of the region and meet the demands of the society and industry across Chandigarh and its neighboring States. In consonance with the 'Atmanirbhar Bharat' mission of Government of India, we as a higher education institute are committed to build a self-reliant India. To provide impetus for entrepreneur activities and to fuel the innovative young minds through well conceived policies, strategic investments and conducive environment; we strive to cover major thrust areas.

Objectives:

- To organize skill development and capacity building programmes for young minds.
- To provide hands-on training to students so as to bridge the gap between academia and industry.
- To call on the innovative and business ideas from faculty and students through hackathons, quizzes and buzz the world events.
- To create an 'IDEA BANK' in the college.
- To transform innovative ideas into small start-ups.

Tutorial Groups

In-charge: Dr. M L Sharma

Giving due importance to the teacher taught relationship, college students are divided into 88 tutorial groups. The tutorial group meetings were held this session on 15.09.2023 and 07.02.2024. Each of these groups is attached to one faculty member who is the mentor of the respective group. The aim of these meetings is to have personal interaction with each student of the college. The students are encouraged to open up and share their feelings and problems which can include anything varying from personal, academic or peer pressure faced by the students within and outside the campus. The agendas for the meetings are prepared in consultation with the Principal of the college. The inputs are also taken from the Registrar of Examination, in-charges of sports and other extracurricular activities. The attendance of the students is reported to the administrative office of the college.

Public Relations and Media Wing
